

## DISPENSARY ASSISTANTS COURSE

### Get the technical support you need that meets Pharmacy Board requirements

The Pharmacy Board of Australia requires that pharmacists should ensure that dispensary assistants or dispensary technicians 'undertake and complete a recognised training course that provides them with the skills and knowledge to, under the direct personal supervision of a pharmacist, assist in the selection, processing and labelling of prescription medicines'.

The Guild's Dispensary Assistants Course provides your pharmacy assistant with training that meets the Board's requirements and equips them to provide the technical support you need.

Units in the Dispensary Assistants Course include:

**SIRCIND002:** Support the supply of Pharmacy Medicines and Pharmacist Only Medicines

**SIRCDIS001:** Assist customers with prescriptions

**SIRCDIS003:** Assist in dispensing prescriptions

**SIRCDIS004:** Assist in preparing dose administration aids

**SIRCDIS006:** Maintain dispensary stock

**SIRCDIS007:** Administer dispensary computer systems and claims
